

## Larrain y Asociados Helps CSSO Land \$375m in Credit

17-12-2018

Larrain y Asociados has advised Consorcio de Salud Santiago Oriente S.A. Sociedad Concesionaria (CSSO), secure \$375m credit, to finance the construction of Hospital del Salvador and Instituto Nacional de Geriatria, which will be built through a public works concession regime, the largest health facility ever built through this system. The deal closed November 30th.

The creditor banks were ItaúCorpbanca, Santander Chile, Banco Consorcio, Banco Security, China Construction Bank Agency in Chile, Metlife Chile Seguros de Vida S.A. and Life Insurance Company Consorcio Nacional de Seguros S.A.

The Larrain team was made up of partners Arturo Bulnes and Patricio Montes, assisted by associates Diego Garay and José Pedro Ruíz.

Baraona Fischer Spiess acted as legal counsel to the creditor banks, with a team led by partner Raúl Marshall, assisted by senior associates Jeanne Marie Miguel Andreani and Rodolfo Vega Pizarro.
