GIANT OF CHILEAN IP

FIRM

Carey

LEADER

Guillermo Carey and Francisco Carey

TEAM

Guillermo Carey

SINCE

1905

Track record : This full-service firm has a very strong IP department and is responsible for over 6,000 patents and 30,000 trademarks. They specialize in every major branch of IP, including intangible assets valuation, IP management and data protection. Among their list of clients are Nestlé, The North Face, Boehringer Ingelheim, BASF and PepsiCo.

Differentiation : The IP department has 37 qualified lawyers and 10 patent specialists. The operation is led by partners Guillermo and Francisco Carey. Guillermo is more involved in technology, life-science and data protection matters and has advised the Chilean government in the past. Francisco focuses on complex IP litigation, licensing, and distribution and franchise agreements.

OUTSTANDING IN PATENT ISSUES

FIRM

Covarrubias & Cia

LEADER

Arturo Covarrubias

TEAM

Arturo Covarrubias

SINCE

2010

Track record : The firm's focus is IP advising filing, prosecution and enforcement of patents, trademarks, internet domain names and copyright. They provide service in the areas of invention patents, utility models and industrial

design to companies such as Novartis, Monsanto and Banco Sabadell. Starwood Hotels are amongst the firm's new client wins.

Differentiation : The team has a staff of 12, made up of lawyers, engineers, biologists and designers. Main partner Arturo Covarrubius is experienced in patents, industrial property litigation and copyright issues, he has represented clients both in Chile and abroad in different industries (technology, pharmaceuticals, retail, telecoms) in industrial property and copyrights issues.

FIRM PROFILE

Welcome to the 2017 ranking by Leaders league of Chile's best law firms for General IP litigation. Intellectual property has undergone deep transformations in the past few years, in a world where everything seems free, accessible, and repeatable. In a globalized world where Internet has taken over, it's of the utmost importance for firms to make sure they have the means to defend themselves properly. Leaders League has been in contact with professionals of the law industry in Portugal to hear what they have to say on the matter. The result of our investigations is compiled in our ranking, now available online.

FIRM PROFILE

Leaders League has published its 2017 edition of the ranking for the best IP attorneys in patent prosecution in Chile. Patent prosecution is an essential step for companies who need to have their intellectual assets patented the right way. Our research teams have crunched the numbers and looked at firms' growth, revenue, partners expertise and ability to take on important cases; they have also interviewed important actors of the law industry and corporate clients in order to have recommendations and opinions on the industry. The final ranking can be found on our website.

FIRM PROFILE

This is Leaders League's 2017 ranking for the best IP attorneys in Chile for Trademark Prosecution. Trademark prosecution is an important subject: companies that put a lot of care into brand value, established businesses and start-ups alike, need to be careful and properly register their intellectual property. Leaders League's market analysts have looked at the numbers – firm growth, revenue, importance of the cases- and interviewed professionals from the law industry as well as corporate clients. This research is designed to give a proper map of the market and help senior executives make the right decision. The ranking is available online.
