## Reden's \$80 Million Credit Facility

□ October 9, 2020 □ Ambrogio Visconti.

Larrain y Asociados and Clifford Chance US advised Reden Development Chile in the transaction, while Milbank New York and Garrigues Chile advised Natixis.

Natixis, New York Branch granted a USD80,000,000 credit facility to Reden Development Chile SpA, for the construction and development of approximately 100MW of several solar photovoltaic projects -with PMGD characteristics- for a combined capacity, once fully constructed and operational.

Created in 2008, Reden is an independent renewable power producer focused on the development, construction and operation of photovoltaic solar plants in France and internationally.

Natixis is a French multinational financial services firm specialized in asset & wealth management, corporate & investment banking, insurance and payments.

Larrain y Asociados advised Reden Development with Partner Cristóbal Morandé (Picture), Associates Diego Garay, Michelle Inzunza and Teresita Vinagre.
