At the beginning of the year, Larrain y Asociados has incorporated Isabel Palacios Del Valle, Juan de Dios Ferrada Walker, Diego Garay Pérez, and Joaquín Larrain Hurtado as partners.

**Isabel Palacios**, lawyer from Universidad de Concepción, focuses her practice in litigation, specializing in civil and commercial trials, as well as in arbitrations regarding construction contracts and

public works concessions. She obtained a Diploma in Orientation in United States Law at the University of California, Davis (2009) and was also a Fulbright Scholar at the University of California Berkeley, School of Law, where she received a Masters of Law degree (LL.M) in 2010.

**Juan de Dios Ferrada**, studied at Pontificia Universidad Católica and holds a Master's degree in Law, LL.M, from New York University, Fulbright Scholar (2017). His main practice areas are corporate law, mergers and acquisitions, and project development and financing, with particular emphasis in the areas of regulated services and natural resources.

**Diego Garay**, focuses his professional practice mainly on project financing, capital markets and corporate law. He studied at University de Chile and in 2013 he obtained a Master's degree in Law (LL.M.) from Cornell University, Ithaca, United States.

**Joaquín Larrain**, studied at Pontificia Universidad Católica, and his main practice areas are regulated services and natural resources, electric law, project development and financing, commercial and corporate law.

Larrain y Asociados was founded in 1994 in Santiago, Chile, and has grown to become a 40 lawyers firm, with outstanding expertise in several practice areas. Larrain y Asociados, through a well-integrated and collaborative work, seeks to provide high quality and prompt service to its clients
