Bronze - Firms

Larrain enjoys extended coverage in this year's *WTR 1000*, thanks to the addition of **Sebastián Prieto** to the rankings. An engine of trademark practice at this full-service outfit, Prieto is enthusiastically endorsed by foreign associates as an "attentive and careful lawyer to whom you can comfortably entrust important clients". "He gets very pleasing results and is wonderful to partner with." Several of the companies he serves – including Universal Music – draw freely on support in areas such as corporate and employment law, attesting to the firm's versatility and focus on relationships. On the contentious front, Prieto has engaged in extensive domain name disputes work, which is another forte of the firm.
