Larrain y Asociados has assisted Banco del Estado de Chile and Banco Security in the structuring, negotiation and closing of a syndicated refinancing for Sociedad Concesionaria Puente Industrial, linked to Aleatica, for an approximate amount of US\$20,000,000.

The transaction closed on December 20, 2024. DLA Piper advised the lenders in Spain.

The refinancing will be used to restructure part of the debt associated with the construction of the public works project called “Concesión Vial Puente Industrial”, which, in general terms, consists of the construction, maintenance, repair and operation of the new bridge over the Bio Bío river, which will connect the municipalities of Hualpén and San Pedro de la Paz, as well as certain links and accesses.

Rodrigo Jensen acted as in-house counsel for Puente Industrial.
